

How Does this Sheet Work?

1. 'Staff Available' sheet has location wise count of retail employees ready to be redeployed in essential goods stores

1.a. To maintain active database retailer is requested to share real time update on number of employees deployed in format mentioned below

Staff deployed to (Name of the organization)	Number of staff deployed	Location	Total available data

2. ' Staff Requirement' sheet has location wise count of retail staff required in essential goods stores

2.a. To maintain active database retailer is requested to share real time update on number of employees deployed in format mentioned below

Manpower Received from	No of employees	Location	Balance Requirement

3. All requirements are for 'in-store operations' retail staff

4. The sheet has ' view access only' and will be updated and shared on a daily basis.

5. Retailers can connect with each other to facilitate the deployment

6. For any query on this sheet please contact **Meenakshi @ 9820626315** OR Write to **meenakshi@rai.net.in**

Staff Available

Redeployment of retail staff to retailers selling essential commodities

Retailer Name	Location	Number of staff available	Concern Person Name	Email id	Mobile number
