

RETAIL TRADE LOST ₹3.15L CR DURING LOCKDOWN; BUT SUPPORT EXTENSION: CAIT

The retail trade has suffered a loss of ₹3.15 lakh crore during the lockdown, the Confederation of All India Traders (CAIT) said on Tuesday, even as it “strongly supported” Prime Minister Narendra Modi’s move to extend the curbs to fight coronavirus. CAIT has also assured the Government that the traders will continue to run the supply chain of essential goods in a “most efficient and effective” manner so that citizens do not face any difficulty.
